

IMPORTANT NOTICE
TO INSURERS RECOMMENDING RESTRICTED
CERTIFICATES OF AUTHORITY

The Alberta Insurance Council (“AIC”) is the body responsible by delegation from the Minister of Finance for the regulation of insurance intermediaries.

Our records indicate that you recommend Restricted Certificates of Authority in Alberta. The Insurance Act and the Regulations under the Act place certain responsibilities on you as a recommending insurer as well as on the firm, partnership or corporation which holds a Restricted Certificate of Authority. Copies of these Regulations are available on our website: www.abcouncil.ab.ca.

We encourage you to familiarize yourself with the requirements in order to ensure full compliance.
